

Welcome members

In years past we've held our semi-annual meeting the first Saturday in May at the Town Hall. But attendance at this meeting has been so poor that we've decided to combine our spring event with our semi-annual meeting this year. Lake Management has graciously given us a slot in their annual meeting agenda to care for our fall association meeting. So please bear with us while we take care of some business.

First we need to approve the minutes from last fall's meeting and our treasurers report.

Carol Marvin, our treasurer, will review our financials.

Membership to date is 245 families, up 41 from last year. These additional memberships have just about covered the cost of publishing our directory.

As Carol reported we have already made 2 donations scheduled for 2014. \$1500 to the town for new buoys and \$500 to the ski team. We will also be donating \$500 to JNT for the fireworks display. We are open to ideas for other charitable donations that benefit all lake residents. The balance of the funds typically goes to partially defraying the cost of our events.

The remaining events planned for this season are

- **July 12th** – Summer hot dog picnic lunch at the Lion's Club pier. Open to members and guests at no charge.
- **August 16th** – Golf Outing at the Whitewater Country Club
- **September 20th** – Fall Country/Western Dinner Dance at the American Legion Post hall in Whitewater.

More information will be furnished for these events just prior to those dates.

Just one more thing. I have moved away from the lake and will be resigning as president after this season. Carol Marvin will also be resigning as treasurer and other board members may be leaving. We'll be looking for volunteers to take these positions throughout the summer. If you are interested in taking a more active role in our organization PLEASE let me know. I have truly enjoyed serving as your president and would encourage all of you to get involved.

At this time I'd like to open the floor to questions.

Thank-you for your attention. Motion to adjourn.
