This year's most important agenda is to replace our current board with new people: president, vice-president, secretary and treasurer. Our by-laws indicate an election every year and I have been remiss in my presidential duties to do so. Now four years have passed and we, indeed, need an election. Please offer your candidacy so GWLPOA has new faces, new ideas to carry forward. These positions are definitely not demanding, and offer an excellent opportunity to know and work with your lake neighbors. Please contact anyone of us on the current board.

This year we will continue to purchase more of the new style buoys to help beautify our lake. As soon as our membership dues are in, we will determine how many we will purchase.

Our IT guy, Rich Charts, has designed and maintains our website. He's included lots of useful information like "News you can use", "Living on the Lake", "Around the lake" to mention a few, besides posting activities and events. Check us out at <http://whitewaterlake.org>.

Don't forget to welcome new property owners and provide information about our group. The membership dues are only \$20.00 a year and the events are so reasonably priced.

In closing, thanks to all of you who support our events and make our lake neighbors a community. Your participation makes this organization a great place to be!!!.

Looking forward to seeing all of you in 2010,  
Val Vesely, President
